

TIPS FOR CAR PARKING VOLUNTEERS

Thanks so much for being an amazing car parking volunteer!

You're particularly awesome because you help keep people alive when the streets are buzzing with buses, cars, and big crowds of pedestrians.

Here are a few tips for you!

1. You'll each receive a radio to use throughout the weekend. Please use **channel 2** to communicate with other members of the team. Please look after your radio and remember to charge at night in the small utility room at the back of the auditorium.
2. Phone 0408 825 588 (no texts) if you need to contact StayKCC staff who are on call.
3. Always wear your high visibility gear and use torches / traffic control wands at night – STAY SAFE!
4. At the end of sessions, have someone standing on the KCC driveway to direct people to walk down the path to Violet Street and NOT down the main KCC driveway and down onto Cliff Drive – this is very dangerous.
5. Ensure you have 3-5 people at Violet Street at the end of night sessions – as this is where all the action is!
 - Direct people to stop when cars are coming, help them cross the road.
 - DO NOT manage / direct car traffic on the streets, only boss pedestrians.
 - Ask people to 'keep to the sides of the road, please.'
 - Can use witches' hats wherever its helpful.
 - Help buses coming into the oval to park in sensible places.
6. Ensure you plan where your team will be stationed in advance to avoid confusion.
7. When guiding cars in on Saturday, please try and park cars on the side of the oval that is furthest from Cliff Drive.
8. If a car is parked over a driveway / has its headlights on etc. text the Event Manager a photo of the car and registration details and we will put the details on screen in the auditorium.
9. Be really nice to our neighbours, they can be a bit grumpy sometimes.

10. Pick up any litter you see around anywhere (even if it's not from us) and do a litter sweep at the end of Spark. Let us know if you need gloves and rubbish bags.
11. At times we may use parking at Scenic World, this opens at 6.30pm. *There is to be absolutely no parking there between 8am-6pm.* If we do, please have someone at the entrance guiding in cars and directing buses to go further up the road to the bus and shuttle parking area. Guide pedestrians across Cliff Drive to walk up the pathway off Violet Street.
12. Have some fun and be an awesome cheerleading blessing to people – they will love it!

We might ask you to help our friends on the Muscle or Ushering Teams when your parking responsibilities have finished. Please check in with your team leader before going into any sessions, in case we need your help 😊
